

Image and Media Consent Form

Event: Hack the future – What is supercomputing anyway?

Date: 28 November 2025

Location: University of Luxembourg, Belval

Organiser: University of Luxembourg

1. Purpose of the consent

As part of the “Hack the future – What is supercomputing anyway?” event, organised by the University of Luxembourg, we plan to take photographs and videos during the event to document the activities, promote our educational initiatives, and share the outcomes with the public and our partners.

These images and videos may be used in:

- Publications, reports, and presentations
- The University of Luxembourg’s and EUMaster4HPC’s websites and official social media channels
- Press releases and media coverage related to the event
- Promotional materials for future educational and outreach initiatives

2. Consent for minors

As the participant is a minor, consent from a parent or legal guardian is required for any use of their image, likeness, or voice.

Please complete the information below and sign this form to indicate whether you authorise or decline the use of the participant’s image.

Participant information

- Full Name of minor: _____
- Date of birth: _____
- School/Institution: _____

Parent / Legal guardian information

- Full name: _____
- Relationship to participant: _____
- Address: _____
- Email: _____
- Phone: _____

3. Consent Statement

Please tick the appropriate box:

I GIVE CONSENT for the University of Luxembourg and the EUMaster4HPC consortium to photograph, film, and/or record my child during the event "Hack the future – What is supercomputing anyway?" on 28 November 2025, and to use these images, videos, or recordings in print, digital, and online media for the purposes described above.

I GIVE CONSENT to having my child's photograph taken and used by the HPC team exclusively for the purpose of creating an AI-generated demonstration video as part of the activities during the event. I understand that my photo will only be used to produce this specific video, and that both the photo and the generated video will be permanently deleted at the end of the demonstration. I understand that no personal data will be shared, stored, or reused for any other purpose.

I DO NOT GIVE CONSENT for any image, video, or recording of my child to be taken or used in any form.

I understand that:

- Images may be stored securely by the organisers and processed in compliance with EU data protection regulations (GDPR).
- Consent is voluntary and can be withdrawn at any time by contacting the organisers at eumaster4hpc@uni.lu.
- Withdrawal of consent will not affect the lawfulness of processing based on consent before its withdrawal.
